ARENA CARPET/RUG

## *The Design:*

---

The Arena rug “steals” a piece of cove on the Costa Brava so you can enjoy it wherever you prefer. Subtly reproduces the color gradient that the sand of the beach suffers when it is bathed by water.

Handwoven and made from 100% recycled bottles, it is suitable for both indoor and outdoor use. The meticulous treatment of its filaments means that the origin of the material is not perceived, which has a completely organic finish.

An invitation to enjoy the Costa Brava every day.
