BLOOM

COLLECTION

BLOOM is a celebration of life and love, inspired by nature and its biodiversity.

The main inspiration comes from birds and the rainforest.

The richness of bird feathers, the fascination with capturing all that is beautiful, the contagious and joyful rhythms, and the highly positive vibes of the Carnival in Rio de Janeiro were undoubtedly the main motto for Bloom Collection.

This collection arises in the same year that ALDECO celebrates its 25th anniversary and it's compared to spring, creating a spectacular spectrum of bright and passionate colors.

Be dazzled by these incredible geometric designs, modern and in perfect harmony, and in tune with the latest fashion trends.

The Blooming fabric, with its "smiling" toucans, presents a new approach to Tropical Vibes - vibrant, joyful and very tropical.

Specialized in Textiles for 2018 we have fabrics with spectacular finishes providing very soft touches and the richest textures, our Pantone range of colors is very strong and we bet on vibrant and elegant colors.

Technically this collection is also very strong with the diversity of colored yarns that are present in our jacquards. We also present gradients and incredible color combinations in our fabrics.

This collection is made of 30 new fabrics and 204 new references with boosting good vibes and with a tropical and floral touch.

Accept the invitation to enter this inspiring and unique journey and let your interiors bloom with Bloom collection.

Be amazed and excited with this true "love story".

BLOOM es una celebración de la vida y del amor, inspirada en la naturaleza y su biodiversidad. La inspiración principal viene de la influencia de las aves y de la floresta tropical. La riqueza de efectos de las plumas de las aves, la fascinación por captar todo lo que es bello, los ritmos contagiosos, alegres y las vibraciones altamente positivas del carnaval de Río, han sido, sin lugar a duda, el lema principal para el desarrollo de Bloom Collection.

Esta colección nace en el mismo año en que ALDECO celebra su 25 aniversario y se puede comparar con la primavera, creando un espectro espectacular de colores vivos y apasionantes. Deslúmbrese con estos increíbles dibujos geométricos, modernos, en perfecta armonía y sintonía con las más recientes tendencias de la moda. El tejido Blooming, con sus "sonrientes" tucanes, presenta un nuevo planteamiento de la Tropical Vibes – vibrante, alegre y muy tropical. Como expertos en textiles, para 2018 tenemos tejidos con acabados espectaculares, con toques muy suaves y texturas ricas, nuestro Pantone de colores es muy fuerte y apostamos en colores vibrantes y elegantes.

Técnicamente esta colección es muy fuerte en lo que toca a la diversidad de hilos coloridos presentes en nuestros tejidos jacquards. Presentamos matices degradés y combinaciones de colores increíbles en nuestros tejidos. Esta colección se compone de 30 nuevos tejidos y 204 nuevas referencias con impulsos de buenas vibraciones y con un toque tropical e floral. Acepte la invitación para embarcar en esta jornada inspiradora, un viaje único y deje que sus interiores florezcan con la colección Bloom. Déjese impresionar y emocionar con esta verdadera historia de amor.

Cette année, ALDECO, fête ses 25 années d'existence et pour célébrer son anniversaire elle a choisi de rendre hommage à la vie, à l'amour et à la nature. Ainsi est née la collection Bloom, inspirée par la forêt tropicale et ses richesses.

Cette collection joyeuse, colorée et rythmée par les vibrations du Carnaval de Rio de Janeiro, est sans aucun doute la ligne conductrice de la Collection Bloom. Elle vous emportera au cœur d'un Printemps éblouissant, habité de coloris vifs, de motifs géométriques et modernes en parfaite harmonie avec les dernières tendances de la mode. La référence Blooming représentée de toucans qui paraissent sourire, est une nouvelle approche vibrante, vivante et très tropicale de notre précédente collection Tropicale Vibes.

Cette nouvelle collection 2018, se veut, riche en couleurs, aux textures élégantes avec des compositions plus naturelles, dans la diversité des fils colorés dans nos tissus Jacquards. La collection Bloom, c'est 30 nouveaux designs dont 204 références qui vous invitent à un voyage unique pour embellir vos intérieurs. Laissez-vous séduire, elle vous transportera au cœur d'une nature spectaculaire et passionnante. Soyez impressionné et ravi de cette véritable histoire d'amour.

BLOOM é uma celebração da vida e do amor, inspirada na natureza e na sua biodiversidade.

A inspiração principal surge da influência das aves e da floresta tropical. A riqueza dos efeitos das penas das aves, o fascínio pela captação por tudo o que é belo, os ritmos contagiantes e alegres e as vibrações altamente positivas do carnaval do Rio, foram sem dúvida o mote principal para o desenvolvimento da Bloom Collection.

Esta coleção surge no mesmo ano em que a ALDECO celebra o seu 25º aniversário e é comparada à primavera, criando um espetacular espectro de cores vivas e apaixonantes.

Fique deslumbrado com estes incríveis desenhos geométricos, modernos e em perfeita harmonia e sintonia com as mais recentes tendências da moda. O tecido Blooming, com os seus "sorridentes" tucanos, apresenta uma nova abordagem à Tropical Vibes - vibrante, alegre e muito tropical.

Como especialistas Textéis Para 2018 temos tecidos com acabamentos espectaculares originando toques muito macios e as mais ricas texturas, o nosso Pantone de cores é muito forte e apostamos nas cores vibrantes e elegantes. Tecnicamente esta coleção é também muito forte na diversidade de fios coloridos que estão presentes nos nossos tecidos jacquards. Apresentamos degradés e combinações de cores incríveis nos nossos tecidos.

Esta coleção é composta por 32 novos tecidos e 236 novas referências com impulsos de boas vibrações com um toque tropical e floral. Aceite o convite para ingressar nesta jornada inspiradora, uma viagem única e deixe os seus interiores florescerem com a coleção Bloom.

Fique impressionado e emocionado com esta verdadeira história de amor.

The image shows a close-up of a sofa with a complex, multi-colored patterned fabric. A large, textured cushion is visible on the left. To the right, a tall, slender brass floor lamp with multiple spherical glass shades is partially visible. The background consists of vertical blinds and a window with sheer curtains.
