A detailed quilt pattern featuring a repeating geometric design. The pattern consists of interlocking shapes, including squares, triangles, and circles, arranged in a grid-like fashion. The color palette is rich and varied, featuring shades of teal, light blue, dark blue, green, brown, and tan. The overall effect is a dense, textured surface with a strong sense of rhythm and balance.

A photograph of a modern interior. In the foreground, a teal-colored sofa is partially visible, featuring a large, patterned pillow with vertical stripes in shades of teal, brown, and black. To the left of the sofa, a floor lamp with a thin, gold-colored metal stand and a black, conical shade is lit, casting a warm glow. The background consists of a wall with a rough, textured, stone-like appearance in shades of brown and tan. To the right, a window is covered with vertical blinds in various shades of teal and blue. The overall atmosphere is contemporary and sophisticated.
